RE: IN THE MATTER OF IMPACT OF THE CLOSURES OF FOSSIL-BASED
GENERATION PLANT ON IMPACTED COMMUNITIES (DOCKET NO. E-
00000A-21-0010)

SUBJECT: STAFF'S REQUEST FOR RECOMMENDATIONS OF POLICY TASK FORCE
MEMBERS AND INTERESTED STAKEHOLDERS

Pursuant to Decision No. 78498, the Arizona Corporation Commission's ("ACC" or "Commission") Utilities Division Staff ("Staff") were required to create a Policy Task Force in this Generic Docket to develop recommendations for potential action by the Commission. On March 17 and 23, 2022 and April 21 and 22, 2022, Staff held two sets of meetings of the Policy Task Force. On April 15, 2022, Staff docketed a request to modify the deadline for docketing the recommendations of the Policy Task Force from May 2, 2022 to June 2, 2022.

Staff requests that all members of the Policy Task Force and interested stakeholders docket recommendations for Commission action no later than May 31, 2022. Members of the Policy Task Force and interested stakeholders will then have the opportunity to discuss these recommendations at the next Substantive Workshop in this Generic Docket, to be scheduled in June 2022.

Questions by members of the Policy Task Force and interested stakeholders may be directed to Ben Champion at blchampion@azcc.gov or (602) 542-5615.
